COURIER OF THE EAST KENTUCKY COAL FIELDS

VOLUME 48—NO. 27

HAZARD, PERRY COUNTY, KENTUCKY, MONDAY, FEBRUARY 17, 1958

COPY—10c

## Heavy Snow, Cold Blankets Region

Zero temperatures, and heavy snow blew into Southeastern Kentucky, Saturday morning, bringing weekend business to a virtual standstill and creating dangerous road conditions throughout the area.

The blanket of snow and cold snap was one of the worst in years experienced locally. And if weather reports are right, no immediate relief is in sight.

At least one county school, M. C. Napier, was closed according to the County Superintendent's office. No word was available this morning on whether other schools in the county were open. Absentees were expected to run high if any were conducting classes.

All city schools were open this morning.

Except for the city water department, local utilities were reporting but minor troubles from the weather.

A spokesman for the Hazard Gas Co. said this morning that gas pressure is expected to hold out during the duration of the cold spell.

Gas lines on Troublesome were reported freezing up but crews were out there this morning, making repairs, and the lines are expected to be open sometime today.

A spokesman for the Kentucky Power Co. reported only two minor cases of trouble over the weekend. Neither was a result of the weather and both were termed "routine."

Robert Wooten, city manager, said the city water department has had a large number of pipes freeze and burst, particularly on small mains. The ground, Wooten said, is frozen in places to a depth of 10 inches.

Employees of the water department have been on duty 24 hours since the temperatures started dropping, Saturday afternoon.

Wooten said the city is having some trouble trying to keep streets open, but that all city streets are now open to one-way traffic.

The city manager noted crews have been working on dangerous hills in the street with salt and ashes. He advised driving with chains only.

From a high of 50 above Friday, temperatures within the city fell to a low of 1 below this morning. Temperatures reported by the city water plant for the three day period were:

High	Day	Low
50	Friday	14
34	Saturday	30
20	Sunday	10

Officials of the State Highway Department said this morning that as far as they know, all county and state roads are open to travel for cars with chains.

Highway road crews were out all-day Saturday and up until 9 p.m., Sunday night. Road crews returned to work this morning and are concentrating on salt-slick stretches along the main routes into the county.

State police reported only minor accidents for the weekend, but advised drivers that road conditions in this region remain treacherous.

Roads in Perry and adjoining counties are listed "impassable without chains," and even with chains, driving conditions are dangerous.

Saturday, a slide on Kentucky 15 in Breathitt County had the road blocked for a few hours. State Police reported yesterday the road is now open.

Troopers throughout the five county area served by the local post have been on a standby basis for accidents and emergencies.

## Weekend Fires Do \$16,000 Damages

Fires last week did approximately \$16,000 to two homes, and a third blaze did minor damage to a car, City Fire Chief Lawrence Sizemore said today.

Thursday night, damage to the extent of approximately \$16,000 was done when a blaze gutted ten rooms of a frame apartment-house on East Main Street. No one was in the building when the fire started.

Investigation of the origin of the fire is continuing, Chief Sizemore added.

An unoccupied home on Maple Street, owned by Laura Perkins, address unknown, received approximately \$1,500 damage when fire, early Friday morning, blazed in a rear bedroom of the home.

Damage was confined to the bedroom and rear of the building. Effects and furniture in both apartments were destroyed.

Chief Sizemore said the home has been unoccupied since last year's flood. Cause of the blaze, which flamed at 2:45 a.m., is under investigation.

Thursday night, fireman prevented major damage to a car owned by Henry Robinson, Perry County, when the car blazed. Robinson, according to Chief Sizemore, had been driving with his emergency brake on.

Chief Sizemore said his department battled the blaze from 1:45 p.m., when they received the alarm, to 4:30 p.m. The crew was hampered by high

firemen, however, managed to save a six-room apartment in the rear occupied by Mr. and Mrs. Brown. The Brown apartment suffered only minor smoke damage, Sizemore said.

Chief Sizemore said his department battled the blaze from 1:45 p.m., when they received the alarm, to 4:30 p.m. The crew was hampered by high

## Mining Institute To Show Film On "Safety", Feb. 21

The Kentucky River Mining Institute will hold its regular monthly meeting in the VFW Club, Feb. 21st, at 6:30 P. M.

Through the cooperation of the U. S. Coal and Coke Company of Lynch, the safety film, "Knowing Is Not Enough," will be shown. This is a regular movie made at great expense by the U. S. Coal and Coke Co., and acclaimed as the best movie made on safety in years.

Mr. Elkins Payne, personnel director and Hal Scruggs, chief mine inspector of the company will be present at the meeting to comment on the film. Dinner will be served at 6:30 P. M., \$1.50 per plate and anyone interested in safety is welcome at this meeting, but should call 950 for reservations.

## Frozen Pipes Cause Hotel False Alarm

A false alarm sent city firemen to the Hibler Hotel this morning at 9:45 o'clock.

City water department workers were thawing pipes in the basement of the hotel with a small fire when smoke rose to the lobby.

The desk clerk called the fire department, thinking the building was on fire.

## Hal Cooner Took Photos

Photographs of the Begley Realty Co. building and personnel in Friday issues of the Hazard Herald were taken by Hal Cooner Studios, Hazard.

The Herald inadvertently failed to give credit lines on the pictures.

## City Gets Loan Grant

A flood-blighted area on East Main Street here will give away to another City-owned parking lot.

City officials were notified Friday that the Urban Renewal Administration, Washington, had approved a federal loan of \$241,092 and a grant of \$133,592 for redevelopment of the property, all of it severely damaged in the January 29 flood of last year.

To be torn down are several small business houses, a four-story, 25-room hotel, and a 30-room boarding house located in an area bordered on the west by the Kentucky River and on the north and east by East Main Street from the Louisville & Nashville Railroad bridge to a bottling plant.

**Total Cost Put at \$300,000**  
All of the property is in the heart of the Hazard business district.

Total cost of the project was estimated Friday by Gene Parker, chairman of the Hazard Municipal Housing Commission, at approximately \$300,000.

Parker said: "I'm extremely happy to learn that the grant and loan have been approved. Every effort will be made by the Municipal Housing Commission to carry this project to a successful completion."

**City Will Pay A Third**  
Under terms of the loan and grant, the Federal Government will pay two thirds of the net cost and the City will pay a third.

A part of Hazard's share will be paid by the State, since the cost of extending East Main

## Prize-Winning Window

Winning second prize of \$75 for cities of Hazard's size was this window of the Davis Bros. Kenyon Auto Store. The display promoted the hunting season. The contest was conducted by a national magazine.

—Hal Cooner Photograph.

## Leatherwood School To Play First Game In New Gym

Leatherwood High School will move into its new gymnasium, tomorrow night, when the charges of Coach Joe Gill engage a highly-regarded Fleming Neon quintet.

A game to have been played against Cumberland tonight has been cancelled because of the weather.

The new gym, just recently completed except for the installation of seats, has a maple floor and two modern scoreboards.

Started in February, 1957, the gym will seat over 2,500 persons. It was built at a cost of \$160,000 by the Perry County Board of Education, residents of the Leatherwood community, miners, the Blue Diamond Coal Co., and Jewell Ridge Coal Co.

The gym is the first for the school. Until it's construction, Leatherwood had played its game in the old Viper gymnasium.

Build of steel frame and concrete block, the building has an aluminum roof. When completed, it will have a stage and folding wall seats. Blower heating has been used.

The score-boards are of a type new to this area and include name of player, jersey number, fouls by player, minute and second hand, score, and names of officials. The two boards were purchased at a cost of \$2,350.

Roll-in type goals with glass backboards are also being introduced to this area in the new Leatherwood athletic plant.

Bingham Brashear, school principal, said his week that a lobby, concession stands, 5 classrooms, a clinical room and restrooms will be built onto the building this summer by the Perry County Board of Education.

Installation of seats will be started in April at a cost of approximately \$25,000.

## Seven To Attend Meeting

Approximately 45 members of these regional meetings held by Southern States Cooperative's Southern States over a six state community advisory boards, district area. The organization has over 360,000 farmer-members who live in Virginia, West Virginia, Maryland, Delaware, Kentucky and Tennessee.

February 26th. The meeting Board members attending the will be held at the Howard Hotel and will begin at 10:30 a. m. a. m., will have chance to hear There will be a total of 54 of a report on Southern States op-

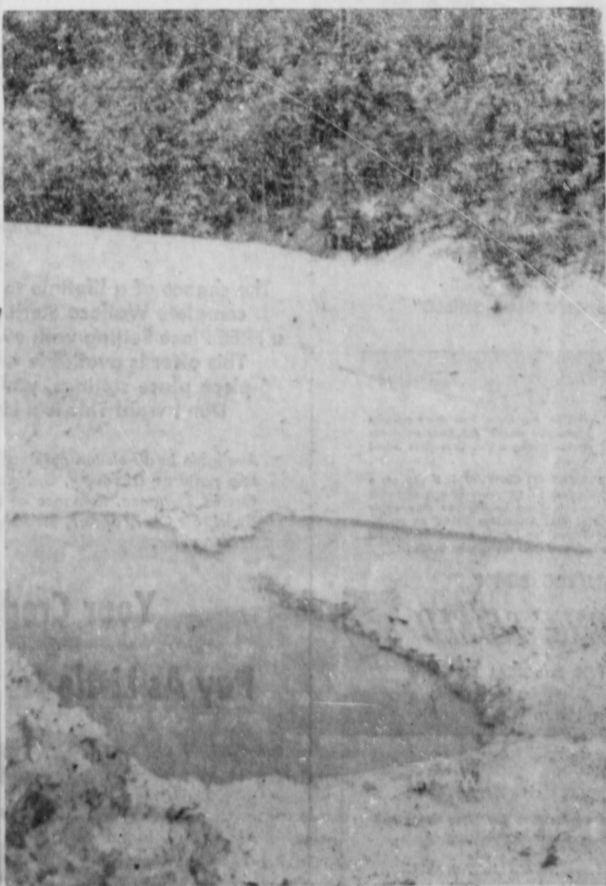

erations during the first six months of 1957-58 fiscal year. There will also be a slide film presentation entitled "Board Members in Action" and a report on "Keeping Southern States Up to Date" by a representative from the organization's central office.

Following lunch there will be a general discussion period. Southern States district manager Tommy Combs, of Morehead, Ky., is in charge of arrangements for the meeting and will also act as moderator of a panel discussion that will be held during the afternoon portion of the meeting.

C. H. Atkinson of Wilsonburg, W. Va., a director of the cooperative, will preside at the meeting.

Expecting to attend the meeting from the Hazard area are: Elmer Holliday, manager, Perry County Farm Supply Center, Hazard.

Others to attend the meeting will be Dreyfus Brashear, of Viper; Corbett Grigsby, of Buin; Claude Patterson, of Rowdy; Burley Barger, of Bowlington; Roscoe Turner, of Avawam, and Gordon Jones, of Wooten.

## Remember This One?

Remember this picture: It appeared in the Herald several months ago when work was started on a lake above Viper on Mason's Creek. Then, the land was cleared, the area dug, and the dam erected—all that was lacking was the water.

## And The Rains Came!

The above photograph is the same lake—now full from rains and snow. Stocking of the lake is expected to start as soon as possible. In the rear can be seen the dam.

## Two Win Prizes In Firm's Opening

Despite snow-bound weather, over 100 persons attended the formal opening of the new Hazard Clinic and Begley Realty Co. Building, Saturday afternoon, and went away highly surprised at the city's newest building.

Winners of the door prizes in the county.

Doyle Leveridge, Hazard, and Mrs. Irvine Maynard, Route 2, Hazard. Both won electric shavers donated by the Begley Drug Store.

Of the building's features, two drew the most favorable comment—the paneling and the heating-air conditioning unit.

No few persons commented that the paneling set the offices off and added the "finishing touch" to the "lavish" four-story medical clinic and business center.

In addition to the clinic, the building houses the C. Jack Barnett Insurance Agency, the Dewey's Barber Shop, the Elita Mae Beauty Shoppe, and the Begley Drug Store.

(See story elsewhere on business firms in the clinic.)

## Subscriptions With 1957 Label To Be Removed If Not Renewed

Hazard Herald subscriptions having the number 57 on the mailing label will be removed from the mailing list, effective March 1, if not renewed.

Price of subscriptions within Perry County is \$4.00 a year; out of Perry County, \$5.00 per year.

Subscribers are urged to renew now to prevent their subscription from lapsing.

## Garnett Elected Vice-President Of Wildlife Group

Officers of the Seventh Wildlife District clubs met at Martin, Feb. 9, with Dr. C. L. Allen, Vice-President of the League of Kentucky Sportsmen, as Chairman.

After years of effort, a federation of the Seventh Wildlife District Clubs was formed to be known as the "Seventh Wildlife District Federation."

The following officers were elected: Dr. Hugh Smith, Pikeville Sportsmen Club, President, Sam Garnett, Perry County Fish and Game Club, Vice-President, A. J. Turner, Floyd County Fish and Game Club, Secretary. The presidents of each club, who are active and affiliated with the League of Kentucky Sportsmen, were designated to be directors of the federation.

The purpose of the federation is to unite the seventh district sportsmen in a common cause, to promote conservation and to facilitate the solving of problems that arise in the seventh district.

## Circuit Court Opens Today

Perry County Circuit Court opened today after a delay of a few hours this morning for lack of jurors.

Weather left the court shy of jurors when the court was due to start at 9 a.m. today. It wasn't until a few hours later after a jury had been formed he court opened.

The docket for this week is as follows:

Today: Bruce Combs, appeal; George Bolyn and Don Rose, assault and battery; Walter Turner, breach of peace; Kermit Cox, stream pollution; Homer Holland, drunken driving; Everett Couch and Jimmie White, murder; White, Couch and Arthur Clay, murder;

Feb. 18—Siler Caudill, murder; Feb. 19—J. D. Begley, manslaughter; Feb. 20—Mervin Red Combs, murder and Mort Holland, murder;

Feb. 21—Ruth Neace and Ray Gibson, murders.

**CIRCULATION OVER 3,000**

## Well In A Lake

The narrow stretch of land extending out into the body of the lake ends at a well. The lake was built to be a fishing and small resort center.

HAZARD'S FINEST

#### COUNTY AGENTS' NOTES

### Junior 4-H Members Win In District Contest

Paul Keen, Perry County Agricultural Agent  
John Caudill, Associate Agricultural Agent

Perry County had two district project champions in the Junior District Achievement Contest. Huston Barger, from Saul, was selected as district champion in the 4-H Strawberry project. Alex Merrill, of the Chavies 4-H Club, was selected as the district champion in the Woodwork project.

Other club members from Perry competing in the district contest were: Gladys Elaine Coda, Combs, who received a red ribbon on her foods project; Joyce Cox, Grigsby, received a red ribbon on frozen foods project; and Alice Combs, Second Creek, won a red ribbon on her sewing project.

#### 4-H Strawberry Project

The Sears, Roebuck Foundation is again sponsoring strawberry projects for 4-H Club members in Perry County. The Foundation is furnishing enough plants, fertilizer, and a soil insecticide for one-fourth acre to each of twenty-five 4-H members.

The club member is obligated to follow production and marketing practices as recommended by the Extension Service of the University of Kentucky. He also agrees to pay back into the Foundation fund the price of one crate of strawberries out of his first crop of berries.

This amount goes to buy plants and fertilizer for other 4-H Club members. The Club member actually pays back into the fund a very small part of the total cost of his project.

Four-H members interested in getting strawberry plants and fertilizer through the Sears Foundation should get in touch with the County Agent as soon as possible.

#### Time to Fertilize

The last weeks of February or the first of March is the time recommended for fertilizing the strawberry patch. An application of 800 pounds of 0-20-20 per acre should be broadcast over the patch. Apply fertilizer when plants are dry. Then brush off any fertilizer from the foliage of the plants.

Remember, do not use any nitrogen on the strawberry field when making this fertilizer application.

#### What's in the Fertilizer Bag?

For you to evaluate a fertilizer, you must know the plant food it contains. Fertilizers vary greatly in plant food they carry. Usually the fertilizer that cost the least per bag is the most expensive when calculated on the basis of plant food contained. Since fertilizers are applied to supply plant nutrients deficient in soil, the primary consideration in their purchase should be the cost of plant food rather than cost of material.

Commercial fertilizers supply nitrogen, phosphorus, and potassium, the three plant foods most commonly deficient in Kentucky soil. "Mixed" fertilizers contain two or three or common plant foods.

The amount of each plant food contained is printed on the bag as a percentage present, which means the pounds of a particular plant food contained in each 100 lbs. of material. The first number represents the pounds of nitrogen (N) contained in each 100 lbs. of material. The middle figure represents the pounds of phosphate (P2O5) contained in each 100 lbs. of material, while the last figure represents the pounds of potash (K2O) in each 100 lbs. of material. Also check the numbers on the bag so you can tell what kind and how much plant food is contained on bag.

Mixed fertilizers of different ratios make it possible to select the kind of fertilizer most nearly meeting needs of a particular crop and soil. After you determine plant food requirements of a crop and plant food in a soil and it is determined that a 1-1-1 ratio fertilizer is needed. Should you need 70 lbs. nitrogen, 70 lbs. phosphate and 70 lbs. potash per acre, the amount needed can be supplied by using 700 lbs. 10-10-10 or 500 lbs. 14-14-14 fertilizer. Should you need 40 lbs. nitrogen, 120 lbs. phosphate, and 80 lbs. of potash, then you would use a 1-3-2 ratio fertilizer. 1-3-2 ratio fertilizers are

3-9-6, 6-18-12, 4-12-8, or 8-24-16. To supply above plant food, you would need approximately 1300 lbs. 3-9-6, 1600 lbs. 4-12-8, 650 lbs. 6-18-12 or 500 lbs. 8-24-16. All would be of equal benefit to crops and will supply same amount of plant food.

You should determine the amount of plant food in the soil by a soil test. After determining the plant food removed by a particular crop, the ratio and amount of fertilizer can be determined. Instructions on taking soil samples can be obtained from local County Agent's office. Soil tests are also run through this office, where modern up-to-date soil testing equipment is available.

Do not buy fertilizers simply by trade name. Always check the numbers on bag for plant food contained. Generally, the higher analysis fertilizers are best buy. A 3-9-6 fertilizer contains only 18 lbs. plant food per 100 lbs. material. The remaining 82 lbs. is a filler of very little or no value to plant. Fertilizers containing less than 20 lbs. plant food per 100 lbs. are not on University of Kentucky approved list.

The application of fertilizers without a soil test is largely guess work. Check numbers for plant food contained and do not buy simply by pounds material.

### Upper Second Creek 4-H Meets

Joan Couch

The Upper Second Creek 4-H Club meeting was held, Thursday, Feb. 13, at 10:30 a.m. The meeting was called to order by the president, Sammie Lane Burns.

The roll was called by answering with a safety rule. Minutes were read by the secretary Eva Jean Moore. Bobby Ritchie, Miss Moore, Burns, Esther Ruth Moore, Jimmie D. Sizemore and Howard Stacy all had roles in the meeting. Twenty-eight members attended.

The County Agent John Caudill visited the 4-H Club meeting and talked on the 4-H Club

#### GLOMAWR

### "Women's Group" Holds Meeting

Mrs. Sam Ferguson

The infant son of Mr. and Mrs. Luke Felner has been very ill the past week.

Kenny Felner of the Marines arrived last week for a furlough with his wife, and mother, Mrs. Sydney Felner.

Mr. and Mrs. Arnold Lucas of Cincinnati, are back at Glomawr for a while, as Mr. Lucas has been laid off from work.

Mrs. Gardner Brewer is ill at her home. She is employed at the Miners Memorial Hospital.

Mr. and Mrs. Millard Vires and family are in from Cincinnati, as Mr. Vires has been cut off from work.

Our "Women's Group" had their regular monthly meetings at the community church in Lothair the first Tuesday night in February. Mrs. Isabel Brown gave an interesting talk on World Missions, and showed the group some pictures she brought back from Japan, when she and Mr. Brown went there as Missionaries several years ago. We also had a film strip on Japan.

We were glad to welcome two new members into our Church Sunday night, Mr. and Mrs. Dent Holliday of Glomawr. Mrs. Holliday is a teacher in the Cornett Hill school and Mr. Holliday is employed in the Post-office in Hazard.

Mr. and Mrs. Merrill Campbell and family, Leo Barker and Mr. and Mrs. Roger Barker and son all of Covington, Ky., spent the past week end with Mr. and Mrs. Willard Barker and Mr. and Mrs. Brown Campbell, Mr. and Mrs. Roy Barker and family of Leatherwood, visited the Barkers on Sunday.

#### Harlan County

Harlan, the coal capital of the State and seat of Harlan county, was first called Mount Pleasant and later renamed to honor Maj. Silas Harlan, who came to Kentucky from Virginia in 1774.

projects to members. Mr. Caudill taught us a new game to play inside the house.

### Methodist To Hold Laymen Schools

Seven one-day schools for laymen and ministers will be connected February 23-March 1, by The Methodist Church's Kentucky Conference.

The meetings have been scheduled to help local churches in 60 Eastern and Central Kentucky Counties become more effective in their work. Each church is expected to send its minister, omission chairman, and official board chairman.

The first session is scheduled

February 23 in Maysville, at Trinity Methodist Church. Other schools will be in Ashland, Second Methodist Church, Feb. 24; Harlan Methodist Church, Feb. 25; Danville, Centenary Methodist Church, Feb. 26; Lexington, Epworth Methodist Church, Feb. 27; Frankfort Methodist Church, Feb. 28; and Fort Thomas, Fort Thomas Methodist Church, Feb. 29. Hours for the school are from 1:30 p.m. till 9:00 p.m.

Is your car picking your pockets?

**Switch to Rambler**  
Record Penny-a-Mile Economy

Only Rambler's sales are up 81%—because it's America's all-time economy champ. Rambler 6 with overdrive holds three official NASCAR Economy Records, less than a penny a mile for gasoline. Rambler has smart new styling, highest resale. And only Rambler gives you the best of both: American big car room and comfort, plus European small car handling ease and economy.

News of Interest to Women

# Women's Section

REPORTERS: Miss Leyburn Cody, night phone Oak 1147; Mrs. Anna Mae Moore, Main 69, and Mrs. Bess W. Draughn, Main 45.

## Mrs. George W. Combs Hostess To Business

The Business Women's Circle of the First Baptist Church met at the home of Mrs. George W. Combs on Broadway Street, Thursday evening. Miss Leyburn Cody and Mrs. Theora W. Grigsby were co-hostesses. Mrs. Duard Hancock, leader, presided and the devotional was given by Miss Helen Campbell. The program "Work among the Jews" was presented by Mrs. George W. Combs, Mrs. Theora Grigsby, Miss Leyburn Cody and Mrs. Norman P. Cornett. Spiced tea and cookies were served to Mrs. Grigsby, Mrs. Combs, Mrs. Cornett, Miss Cody, Mrs. Ralph Peters, Mrs. Lester Eversole, Miss Helen Campbell, Mrs. E. W. Hacker, Mrs. Print Baker, Mrs. Bertha McRee, Mrs. Roscoe

Davis, Mrs. Charles Luttrell Jr., Mrs. Maude Sumner and Miss Esther Richie.

## Name Chosen For Daughter

Mr. and Mrs. James Adams, of Cleveland, Ohio, have chosen the name, Denise Kaye for their first child, a girl, born Feb. 4. Mrs. Adams is the former Miss Judy Johnson, daughter of Mr. and Mrs. Ted Johnson of Combs. The paternal grandparents are Mr. and Mrs. F. P. Adams also of Combs.

## Melvin Earl Clutts Celebrates 5th Birthday

Mrs. Melvin Clutts entertained with a party at her home on Cedar Street Saturday afternoon in honor of the 5th birthday of her son, Melvin Earl. Door prizes were presented to Miss Vicki Blackburn and Master Michael Lusk. Games were played and favors of coloring books, whistles, and balloons were presented to the little guests. Birthday cup cakes, ice cream and coca cola were served the following: Misses Viki Blackburn, Regina Blackburn, Betty Cornett, Mary Suzanne Gorman, Leila Taylor, Masters Michael Lusk, Doffie Noble and Bernie Noble, Mrs. C. A. Noble, Jr., Mrs. Harvey Lusk, Mrs. J. H. Bailey and Mrs. Norman P. Cornett.

## Advisory Council Homemakers To Meet

A program planning meeting of the Advisory Council of the Homemakers will be held at the Kentucky Power Company Auditorium on Feb. 26.

## Quilting Bee To Be Held At Mrs. Lee Brashear's

On Wednesday, Feb. 19 there will be an old fashion Quilting Bee at the home of Mrs. Lee Brashear in Viper. Everyone is invited to come as they will quilt a quilt to be presented to the Holly Riddle family whose home recently burned.

## Viper Homemakers Meet With Mrs. Brashear

The Viper Homemakers met at the home of Mrs. Bingham Brashear last Wednesday evening. The lesson on "Laundry made Easier" was presented by Mrs. Ralph Sherman. The club voted to help the Holly Riddle family whose home was recently destroyed by fire. Guests present were Mrs. Morton H. Steele, Mrs. Troy Brashear, Jr., Mrs. George Caudill, members attending were Mrs. Lee Brashear, Mrs. Ruby Brashear, Mrs. Ralph Sherman, Mrs. Alvin Combs, Mrs. Hadward Napier and Mrs. Bill Brashear.

## Mr. and Mrs. Hall Announce Arrival of Boy

Mr. and Mrs. Homer Keith Hall, of Washington, D.C., announce the arrival of a 7 pound 11 oz. son on Feb. 7 at the George Washington University Hospital. They have chosen the name Philip Christopher. Mr. Hall is the son of the late Bob Hall and Mrs. Hall who for several years resided on Poplar Street.

## PERSONALS

Mr. and Mrs. Phil Owen Davis and daughter Becky and Mr. Billy Ray Davis have returned to Lexington after attending the funeral of their grandfather Mr. K. K. Davis.

Mr. Eddie Ray, Prestonsburg, Mr. and Mrs. Mark Ray, of Louisville, attended the funeral of Mr. K. K. Davis Tuesday.

Mr. J. C. Hacker spent the weekend in Richmond where he visited his mother, Mrs. J. B. Hacker.

Mr. Douglas Scutchfield, of Martin, spent the weekend with friends.

Mr. Dewey Daniel and Mr. Roland Baker left Friday for Louisville where they attended a meeting of the Republican State Central Committee.

Mr. and Mrs. M. H. Alcorn, Jr., and daughter, Katie spent the weekend in Lexington.

Miss Mary Ann Alcorn has returned to her home on Oakhurst Avenue after visiting in Richmond, Va.

Mr. and Mrs. Bert Deatherage have returned from a two weeks vacation to Lexington, Florence and Covington where they were guests of their children, Mr. and Mrs. Donald Deatherage and family, Mr. and Mrs. Harold Deatherage, and Mrs. Doris Robertson and family.

Elmira Combs has been confined to her bed with pneumonia at her niece's home, Mrs. Amos Grigsby of Darfok.

Mr. I. W. Gibson left last week for Washington to attend a Grocery Association executive meeting of which he is chairman.

## Local Men Invited To Safety Meeting In Washington

Fred Bullard, executive secretary Hazard Coal Operators' Association, and Robert Dickson, director Kentucky River Mining Institute has received an invitation from the White House in Washington to attend President Eisenhower's conference on occupational safety March 25, 26, 27th. The President will address the group at the opening session; Secretary of Labor Mitchell will preside.

## Junior Garden Club Meets With Sarah Petrey

The Junior Garden Club met at the home of Miss Sarah Petrey, Broadway Street on Thursday, Feb. 13. Miss Petrey, president presided. Plans were made for their "Litterbug Poster" contest in cooperation with the overall clean-up campaign which begins March 1. Eighteen members were present.

## Mrs. Jack West Hostess To Circle Meeting

The Lucky Nicholson Circle of the First Baptist Church met at the home of Mrs. Jack West on Thursday evening, Feb. 13. The devotional was given by Mrs. Gene Parker and the program "Christian Work in the Family and Home" was presented by Mrs. Lee F. Lykins, Jr., and Mrs. Robert Wootton.

Refreshments were served to Mrs. Robert Mansfield, Mrs. Lee F. Lykins, Jr., Mrs. Robert Wootton, Mrs. Gene E. Parker, Mrs. Glennis Smith, Mrs. Owen Barnett, Mrs. Tom Johnson, Mrs. M. W. Ritchie, Jr., Mrs. Harlan Stone, Mrs. William Minor and Miss Jean McIntosh.

## Recipe of Week

Market-wise shoppers are learning that frequent use of fish is an excellent way to hold down the food bill, price per pound of various kinds being one of the lowest in price is whiting, a slender fish that is sold whole, drawn, dressed or as fillets. The meat is mild-flavored, and the texture very tender. It is often served in fried fish sandwiches or, because of its tenderness and white color, cooked whiting may be flaked and used in creamed dishes or salads.

### Whiting Birds

- 2 lbs. whiting fillets
- 1 t salt
- 1/8 t pepper
- 1/4 c melted butter
- 3 slices of bacon
- Bread stuffing (see below)

Remove skin from fillets and sprinkle both sides with salt and pepper. Place a small mound of stuffing on each fillet, roll and fasten with toothpicks. Place on well-greased baking pan. Brush top with butter and lay bacon on the top of each bird. Bake in moderate oven, 350 degrees, for 25 to 35 minutes, or until fish flakes easily with a fork, but do not overcook. Remove fastenings. Serves 6.

Bread stuffing: 2 tablespoons chopped onion and 1/4 cup chopped celery cooked in 3 tablespoons butter or other fat until tender. Combine with 2 cups soft bread crumbs, 1/2 teaspoon salt, dash of pepper and 1/2 teaspoon of thyme, sage, or savory seasoning.

Menu: Whiting birds, creamed parsnips, buttered kale, pineapple-chess salad, and gingerbread with orange sauce.

L. Brumbaugh.

Mrs. Irene S. Brumbaugh

### Laurel Festival

To Be May 22-24

Frankfort, Ky., Feb. 15 — The annual Mountain Laurel Festival at Pineville will be Thursday, Friday, and Saturday, May 22, 23, and 24, according to an announcement made by Charles Brown, chairman of the festival committee.

"Ways to Make the Festival Bigger and Better this Year," were discussed at the Tuesday meeting in Pineville, with Helen Henson, Danville, Mrs. Ben Kilgore, director, division of state parks and Mrs. Catherine Connor, in charge of promotion, Department of Conservation, among the speakers.

## Applicants For Social Security Need Proof Of Claim

Many persons who are filling claims for social security benefits are overlooking the requirement that certain proofs must be submitted before their claims can be certified for payment, according to Mrs. Alma D. Knox, Manager of the Hazard Social Security Office.

Mrs. Knox said that failure to present the necessary proofs at the time the claim is filed causes the claimant to have to make one or two additional trips to the social security office. As a result of these extra trips, people have to wait longer to be interviewed, the processing of claims is slowed up and claimants have to wait longer before they receive their first monthly check.

Wage earners who intend to retire and file a claim for benefits should bring along the W-2 which they received from their employers showing the amount of wages paid in 1957. Non-farm self-employed individuals should bring along their income tax returns (Form 1040) and Schedules C for the years 1956 and 1957. Farmers should bring along their income tax returns and Schedules F for 1956 and 1957. In case of a partnership, Form 1065 should be submitted also for those two years. A self-employed individual should be prepared to furnish evidence he has paid the self-employment tax for 1956 and 1957. Such evidence may be a cancelled check, money order stub, or a

cashier's check receipt.

Mrs. Knox explained that most claimants must furnish proof of date of birth. She said the best proof is a birth certificate but if one is not available, other proofs, such as a baptismal certificate or family Bible or an old life insurance policy are generally acceptable. If claim will be filed for children, their birth certificates should be submitted.

A widow is required also to furnish proof of her marriage to the individual on whose social security work she is claiming benefits. Such proof may be her original marriage certificate or a certified copy of the marriage record.

## Campbell Selected "Airman of Month"

Paul Bruce Campbell, son of Mr. and Mrs. Colson D. Campbell, of Bonnyman, was recently honored at Walker Air Force Base, N. M., as "Airman of the Month."

In a letter received from the installation this week, Lt. Jack L. Wherry, Campbell's commanding officer, commented: "It is with pleasure that I inform you of your son's selection as Airman of the Month for January. In earning this honor, he has exhibited those traits which have long characterized the best of military men."

"As an attendant in the Hospital Dining Hall, he has car-

## Plan Available For Converting WW II GI, Term Insurance

An easy-stage method of converting GI term insurance to permanent plans is available to any of the 3,200,000 World War II veterans who cannot afford to convert the full amount of their term policies.

Veterans Administration said the law and VA regulations permit these term policyholders to convert as little as \$1,000 the first time and then any amount thereafter they wish in multiples of \$500.

By converting \$1,000 a year for 10 years, the full amount will be in permanent plan insurance within a decade, VA pointed out. Annual dividends may be used in the process to reduce the cash outlay to the

policyholder at the time of conversion, the agency added.

The decision to convert is for each policyholder to make based on his need for present and future life insurance, his ability to pay premiums and his family status, VA said.

In some cases, the agency added, term insurance is preferable. In others, permanent plans are indicated.

Permanent plan policies available to World War II term policyholders who wish to convert under this easy stage method are ordinary life, 20-pay life, 20-year endowment, endowment at age 60, and endowment at age 65.

VA said the premium rates for the permanent plans are higher than for the term policies at the same age of issue, but they remain static. Term policy premium rates, on the other hand, increase every five years until they may become prohibitive at advanced ages, VA said.

Tell your friends you saw it in the Herald.

ried out his assigned duties willingly with a minimum of supervision and can always be depended upon to complete a given assignment. In addition, his excellent military bearing and personal appearance at all times leaves no doubt of his worthiness in being selected for the award."

In all of his activities your son has reflected credit upon himself and his organization. I am proud to have him as a member of my organization and know you must be proud of him."

## Bulan Soldier

### On Maneuvers

(AHTN)—Army Specialist Third Class Jay Taylor, 20, of Bulan, is participating in maneuvers with the 40th Armor at Fort Greely, Alaska, one of the coldest spots on the North American continent.

The maneuvers consist of simulated combat situations in which mobility on snow and training in tactics are being stressed.

Specialist Taylor, a supply clerk in the armor's Company A, entered the Army in November 1957 and completed basic training at Fort Leonard Wood, Mo.

He attended M. C. Napier High School in Lotts Creek. His parents, Mr. and Mrs. Reuben D. Taylor, live in Bulan.

## Dilce Combs Takes Overtime Victory From Inez Five, 67-62

An Inez team already in Hazard Saturday morning provided the only encounter of the weekend as weather knocked out several scheduled games.

Dilce Combs took the measure of the visiting quintet, in an overtime thriller, winning 67-62.

The Panthers, who trailed until the fourth quarter, turned on the steam to make-up a five-point deficit and then go ahead to win in the overtime.

At the end of regulation play the game was tied 55-55.

High for Dilce was Bo Begley with 26 points, 14 of them from

the charity line. Scoring honors for Inez were taken by Fairchild with 20 points.

## Asthma Formula Prescribed Most By Doctors—Available Now Without Prescription

Stops Attacks in Minutes...Relief Lasts for Hours!

New York, N.Y. (Special)—The asthma formula prescribed more than any other by doctors for their private patients is now available to asthma sufferers without prescription. Medical tests proved this formula stops asthma attacks in minutes and gives freedom from asthma spasms. This formula is so effective that it is the physicians' leading asthma prescription—so safe that now it can be sold without prescription—in tiny tablets called Primatene®.

Primatene opens bronchial tubes, loosens mucous congestion, relieves asthmatic tension. All this without taking painful injections. The secret is—Primatene combines 3 medicines (in full prescription strength) found most effective in combination for asthma distress. Each performs a special purpose. So look forward to sleep at night and freedom from asthma spasms...get Primatene, at any drugstore. Only 98¢—money-back guarantee.

©1958, Winthrop Pharmaceutical Company

## Sixteen Club 4-H Meeting

Peggy Feltner, Reporter

The Sixteen 4-H Club met February 11th. The meeting was called to order by President, Paula Feltner. Blanch Garrett led us in the pledges. Phyllis Neace, Glenna F. Noble, and Donna Jean Combs, our song leader, led us in songs. Brenda Brewer called the roll and members answered by their projects' name. Minutes of the last meeting was read and adopted. Mrs. Brack Feltner, our leader, was there. She gave a report on the progress made on our

sewing project. The report was very good. Mrs. Feltner asked the club members about putting on a Style Show in our own club as soon as our club thought it suitable. We all agreed that it was a good idea. She talked to us about the 4-H Creed, 4-H Motto, and 4-H Emblem and colors. Mr. Keen and Mr. Caudill attended our meeting and each one gave us a good talk on 4-H projects.

Tell your friends you saw it in the Herald.
